

**BEEER
HOUSE**

Beerhouse is committed to being a tasting room for the burgeoning beer industry, supporting local micro-breweries and giving them a podium on which to shine.

Since 2013 we have curated a large library of beer which we are very excited to share with you. We are the instigators, propagators and curators of the Beer Revolution, and we're inspired to help you navigate its exciting landscape.

Please ask your navigator for our global food offering which is handcrafted by real people. Enjoy the wonderful world of beer and food-matching with our favourite pairings from our "Meet The Brewer" events.

This menu contains our beer library. A beer tasting compass, so you can navigate through various flavour profiles of beer. A tap list with a great variety of beers, from light lagers to dark beer and everything in between. This is followed by a 99 bottle list divided into taste profiles for ease of navigation.

We're glad you're able to join us in enjoying the world's oldest and greatest beverage. Enjoy the journey.

Please let us know how we are doing and share all praise on Facebook, Instagram, Zomato and Google, and please send all constructive criticism to fourways@beerhouse.co.za for us to improve on. And remember: Share all pictures using our hashtag #atBEERHOUSE to win vouchers for free beer!

TASTING TRAYS

So what beers to have? It's a tough question when we have 25 taps and 99 bottles of beer. Let us help you get that perfect beer with our three beer tasting trays. All trays have 120ml-sized tasting glasses that allow you to sample a range of styles so that you can find one to fit your taste buds and mood. The Beer O'Clock is a broad range of 12 beers from light lagers to dark ales and everything in between. The Beer Explorer is for those who are just starting their journey in Beerland. The Hop Head is for those who have experienced beer and are looking to challenge their taste buds.
